Dear Natalie

The grand opening of Midland Boral's new Homebase in Subiaco is over, and all the worrying, endless organising, and headaches are behind us.

It was a resounding success, well attended and generated a lot of interest, which I hope will continue for a long time to come! I feel our original plan for the Centre will meet market demand and so generate ongoing benefits to one and all.

I would like to thank you personally for your tireless efforts and thorough organising, that helped make the evening run as smoothly and enjoyably as it did. It has been a pleasure working with you, and I hope it continues into the future.

Thanks again
